

Dear UDC Family,

Wow...how quickly things can change over a short time! Thank goodness we serve the God who is the same yesterday, today, and forever!

In light of new restrictions coming down from our government and local authorities, ***we will be having online services ONLY for the foreseeable future.*** Believe us...we are just as disappointed about this as you are. Your physical health is important to each of us as well as your spiritual health!

Just because we can't meet in person does not mean we can't continue to be connected as a church body. Here are some ways we plan to do that in the weeks to come!

- Our services will be available through our YouTube Live stream this Sunday at 10:00. A link will also be shared to our Facebook page for those who use Facebook. If you've never watched from home before, we will send out instructions later this week on how to access it. But for now, you can go to YouTube.com, look up Upper Deer Creek Church and find our previous services! (While you're there...go ahead and subscribe!) You can also access our previous services by going to our website at [www.upperdeercreek.com](http://www.upperdeercreek.com)
- Wednesday Night Bible Study will be available online beginning next week.
- Devotions will be sent out during the week.
- Brad will be creating videos to share with your kids, and we are finding different ways to stay connected with our Teens.
- We want to help those who cannot leave their homes right now because they are at risk. So, if you need groceries, prescriptions, etc., PLEASE let the church know! We will go and get what you need and deliver it. We want to be the hands and feet of Jesus. This is more of a blessing for us than for you. Please accept this offer.

Be on the lookout for more information and details later this week, but know this....we love you, and we are here for you during this time. Our goal is to stay connected with you as much as possible! So be prepared to worship, to pray, to hear the Word, and watch God move in a special way in our homes!

We want to be **Intentional, Relational and Missional. God can do Immeasurably More!**

In His Love,

The UDC Staff
